The 2021 Captain Compassion® comic series was created in consultation with Deborah Rivas-Drake, PhD, in cooperation with Tia Kim, PhD, vice president of education, research, and impact at Committee for Children, and Shauna McBride, vice president of public relations and communications at Committee for Children. The comic was illustrated by Nick Butler, illustrator at Turtledust Media. As part of this collaboration, we must acknowledge the foundational role of research in informing the creation of this year's campaign. The work of the following scholars was referenced in the creation of this year's Captain Compassion comic and social media campaign.
